Lasernet 11.0 Beta 1 Released!

2025-04-04 - Haveela Anil - Comments (0) - Lاسernet News

We are happy to announce that we have released Lاسernet 11.0 Beta 1!

Note

This is a Beta release. It should not be used in production environments.

As this is a Beta release, minor issues might exist in the software. Although Beta releases are not officially supported, you can submit error reports via the [Create Ticket](#) button in the support portal.
