Lasernet Keep 11.0 Beta 1 Released!

2025-12-01 - Haveela Anil - [Comments \(0\)](#) - [Lasernet Keep](#)

We are happy to announce that we have released Lasernet Keep 11 Beta 1!

As part of our ongoing initiative to consolidate all products within the Lasernet brand, Autoform DM has been renamed as Lasernet Keep.

The Lasernet Keep 11.0 Beta 1 release introduces a completely redesigned user interface, enhanced Search 2.0 capabilities, an updated dashboard, and a range of additional improvements. Watch the following video to learn more.

For a more detailed overview, please refer to the documentation linked below.

Note

This is a beta release. It should not be used in production environments.

As this is a beta release, minor issues might exist in the software. Although beta releases are not officially supported, you can submit error reports via the [Create Ticket](#) button in the support portal.
